THE COMMISSIONER FOR PATENTS, WASHINGTON, D.C. 20231

SIR:

PETITION UNDER 37 CFR 1.137(B)  
TO REVIVE AN ABANDONED APPLICATION

Applicant hereby petitions, through his attorney of record, that the above-captioned application be restored to the pending files and that the abandonment be held to have been unintentional.

The facts and circumstances surrounding the inadvertent abandonment of the subject application is as follows:

1. The subject application was filed without the Declaration and Power of Attorney.
2. A Filing Receipt dated 12/31/02 was received that included a Notice to File Missing Parts (Attachment A). This Notice requested the missing Oath or Declaration under 37 CFR 1.53(b).
3. The failure to respond to the Notice to File Missing Parts was due to a misinterpretation and misfiling of the Filing Receipt. This misinterpretation and misfiling of the Filing Receipt was caused by unintentional oversight and inadvertent error.
4. On Feb. 25, 2003, Applicant's attorney called Ms. Doshie Day, supervisor, Initial Examination Group, to check on the status of the subject application.

5. Supervisor Ms. Doshie Day, after determining that the subject application had gone abandoned, suggested that Applicant's attorney should file a Petition to Revive when the formal Notice of Abandonment (Attachment B) is received.
6. The Notice of Abandonment, dated Feb. 27, 2003, was received on March 4, 2003.
7. For completeness of this Petition, the missing original Declaration and Power of Attorney (the lack of which resulted in the Notice of Abandonment) is submitted herewith. Also an original Assignment and Agreement for the subject application is also filed herewith.
8. An Affidavit by the attorney of record is further submitted in support of the unintentional abandonment of the subject application.

It is respectfully requested that the instant Petition be granted and that the subject application bearing Serial No. 10/008,425 be restored to the pending files and that the submitted original Declaration and Power of Attorney and original Assignment and Agreement for the subject application be accepted.

Respectfully,

Fabio M. Chiussi
